Dear Colleagues,

The new online system to condone attendance for ECA/Sports and Medical cases is now ready. You will soon start receiving mails from attendance@ststephens.edu requesting you to approve exemption. Please visit your attendance dashboard (where you have been uploading attendance). Click on '**Approve Exemption**'. A list of students who have sought exemption will appear (indicated against their names will be reason i.e. ECA/sports or Medical and the period for which the student was absent). Click '**Update**', Fill in the required details and click on '**Approve**'. Click '**Reject**' if no lectures were missed or if a student seeking exemption for **medical reasons** was present even for a single lecture/tutorial/practical during the concerned period.

Please write to attendance@ststephens.edu in case of you face any problems.

Regards,

S.O.Admn.

Attention all faculty

The last date for **uploading** attendance (for the month of April), exemptions and **internal assessment** is **30 April 2018**. Please note that **this deadline needs to be strictly adhered to as the semester examinations have been advanced** as a result of which admit cards are to be distributed from 1 May, 2018 onwards. As you are aware distribution of Admit Cards will depend on the overall attendance of the students (post exemption). I solicit your cooperation in helping the Examination team have a smooth operational flow of required procedures.

Dear All,

We are restarting the attendance portal for the semester. I request you to please:

1. login to your attendance account and check the list of papers for the current semester on your dashboard.
2. Check the list students assigned to you.
3. Those who are teaching optional papers(DSE etc), practical groups, tutorials need to give Mr. Rakesh, Ms. Yipi (in IRC) the list of students actually attending the classes.

If there are extra names of students who are not attending your tutorials or classes, their names have to be removed. Leaving a blank in the attendance column is taken as zero out of the total number of classes. This affects the total attendance of the student. Please provide the lists before 31st of January, 2020.

If there are any other discrepancies, please let me know through email as soon as possible. And if there are new senior members in your department and they have not registered yet, I request you to please pass on the information to them.

I would like to remind you that the last date for uploading the attendance for the month of February is 7 th March. Kindly upload the attendance. I would also request you to kindly check your pending exemptions tab, as due to some technical error notification emails are not reaching your inbox. While uploading exemptions, all the exemptions on the pending page need to be uploaded together. Once the submit button is pressed all the exemptions on that page get submitted.

For medical exemptions the portal is designed to take care of the maximum number that can be entered. If we try to enter a number more than the permissible value, the system shows an error. In that case please fill the maximum number prompted by the system.

Dear All,

Hope you are all safe and doing well. As per the University guidelines regarding attendance and internal assessment, we have to make some changes in the way we used to upload assessment and in the attendance that we all had uploaded for the months of January and February. As we are required to give 100% attendance to all students for this semester, I have unlocked your attendance for the months of January and February. I request you to change all the numbers entered for all the students to the number of lectures/tutorials/practicals held, and leave the attendance columns for the months of March and April empty. This will ensure that the attendance is 100%. For Internal Assessment, we have to now enter only one column. So maximum marks in one column becomes 20 and enter the assessment in that column. For the other column enter maximum marks to be zero and enter zero below that for all students.

If you have any query or concern please let me know. Also email addresses of some new faculty members are missing. Can you please inform the new members in your department to either contact me or forward this email to them.

I again request if you have any extra names, papers appearing in your account let me know asap.

Dear All

This mail is particularly for teachers taking **SEC papers**. You have to fill your internal assessment marks according to your SEC paper, e.g. if IA for your paper is 10 + 2(for attendance), then you have to fill marks out of 12 since attendance does not carry any marks this semester. Similarly if your IA is 12 +3(attendance), you have to fill your IA out of 15. Please make a note of this and fill your entries accordingly.

Also, may I request you all to convey to your students also that they have to completely ignore the marks calculated in the attendance column and only the assignment marks are relevant for their IA.

Dear All

I'm getting many queries regarding submission of Internal assessments. I would like to clarify again (as per my previous mail too), we have to fill in **just one column i.e. assignment column, out of 25** (or 12 for some of the SEC papers) and leave the class test column blank.

The attendance marks are not being counted this semester but we still happen to see the attendance marks because that's how our college system is programmed to automatically calculate marks for attendance. Those marks have no significance this semester and only our entries will be taken into account. So please fill the entries accordingly.

We still have to keep all our attendance records and so we all have to submit our attendance for November too.

Dear All

Greetings! hope you are all healthy and doing good. This mail is regarding First year students data submissions.

- 1) Please submit the attendance for all first year theory classes, lab classes or tutorials you are taking for first year, semester II students for the months of April and May (Ignore if you have already done or if you aren't taking any first year classes)
- 2) In case of any discrepancies or corrections in the subject or student list on your portal, please inform us soon .
- 3)Also after submitting the required attendance , please ensure that internal assessment for the paper taught by you is available in your portal.(It will appear only after submission of attendance). Inform us immediately in case of an issue.

Thanks and Regards

to ABHISHEK, Abhinav, Abhishek, Aditi, Aditya, Akshita, Alia, Alphy, Amrita, Anju, Ann, Annie, Annu, Anurag, Archana, Ashema, Ashley, Ashutosh, Ashu ▾

Dear All

Greetings . Hope you are all keeping safe and healthy .

This mail is with reference to ONLY **First year, Semester II classes**. I request you to

- 1) again most importantly check if internal assessment of the papers being taught by you is available in your portal.
- 2) inform us of any corrections like inclusion/deletion/update of a students name in your subject lists.
- 3) submit all pending attendance till the month of June .
- 4) submit internal assessment and attendance for the month of July by August 2nd.

Please tell us of any other issues that you may face in your portal while submitting attendance or internal assessment and we would try to rectify it soon.

Thanks and Regards

Annu

Dear Colleagues

PFA 6 files pertaining to the Time Table for the upcoming session.

The first three are Maths Time Table (samples for your reference) and the next three are blank formats.

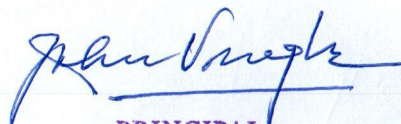

You are requested to forward your department's Time Table on the same mail id (timetable@ststephens.edu). Since the timetable is to be uploaded on the college website, please make sure that the **font type, font size etc. are same** as in the attached samples.

Note that
I BSc(P), I Chem, I Phy and I Maths will be having a compulsory AECC paper and
I BA(P), I Eco, I Hist, (I Eng + I Phil + I Sans) are going to have EVS

Slots for the above papers are not fixed and these will be incorporated into the Time Table once we receive the data.

Kindly forward your Time Table by Friday 14th, 2018.

Do get in touch in case you have any queries.

Dear Colleagues

I hope you and your family are staying healthy and safe.

This mail is regarding the time table for the upcoming session. While I am drafting this mail, the university has just come out with a new notification that the forthcoming session will now commence from August 10.

Due to a lockdown post-mid-semester break, the GE/SEC preferences from the junior members could not be taken. The IT department is working over a software using which the junior members can mark their GE/SEC preferences online. Hence, for the time being, we are going to assume that GE/SEC papers that were running in the July - November 2019 session remain the same this semester as well.

I am attaching the B.A.(P), B.Sc(P), and GE Time Table of the previous year (July 2019). Till the university comes out with a fresh set of instructions (like a reduction in both: the duration of an online lecture and the number of classes per paper, a gap of at least 15 minutes in between two consecutive online lectures, etc.), we will be following the same schedule of classes for BA(P), BSc(P) and GEs as that of the year 2019 (of course a few slots can be altered if necessary).

Kindly revert with your suggestions if any. Also, please forward the names of the representatives from your department who'll be working on the time table this semester.

Thanks and regards

Dear Sir

Please find attached the course wise timetable for first semester beginning on Monday, 22 November 2021 to be uploaded by the IT Department on the website.

Classrooms have been allotted for all first semester classes keeping in mind the possibility of offline classes starting sometime in the semester and to avoid clashes with fourth and sixth semester which start in January. Since the classes are starting online at present, to avoid confusing the new batch of students joining college the timetables being forwarded do not reflect room allotment.

Warm Regards
Dr. Ekta Kundra Arora
