Request for collaboration in research as External co-guide

As our research collaboration has given us many publications and trained many Ph.D. students, I wish to extend and strengthen this bond with some new research ideas and work. Presently, I am working with Dr. Praveen Dahiya (A student of Prof. Subhash Chand, IIT, Delhi) and Ms. Soumya Sharma (Ph.D. student) on development of nanomaterial for enzyme immobilization. We want you to join this research project as external co-guide of Ms. Soumya as it will increase creativity and better learning in the Ph.D. student and in our group.

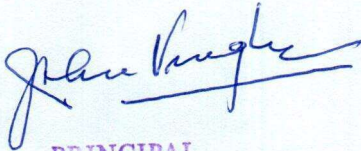

Looking forward for a positive reply,

Best Regards,

Ms. Rachana Sahney (Ph.D.)
