RESPISE : PROSPISE

One of the most respected football players and coach Vincent Thomas Lombardi said "Winning is not a sometime thing; it's an all the time thing. You don't win once in a while... you don't do things right once in a while... you do them right all the time. Winning is a habit".

The Department of Physical Education has worked continually and tirelessly from July to May this academic year to help students progress in their quest for excellence. This can be possible if the young Stephanian's tirelessly explore their talents and most importantly test their limits. There have been many reasons to celebrate the winnings but the most important thing is that the taste of defeat has not stopped us in our tracks. The toughest alloy known to mankind is that of "Strength of Character", which is forged with Uncompromising Hard work, Determination, Dedication, Sincerity and most importantly a Sense of Humbleness that drives our junior members. This spirit of Stephanian has continued to be the guiding light for our young junior members in their desire to blossom from being good to becoming the best.

The world may judge us by only one thing-the result. However, at St Stephen's College, we believe that how we train, what we believe in and how we play our game is more important. Winning does matter, but life is more than scoring a win. We shall be Humble in our Victories and Chivalrous in face of defeat.

At Government Recognized Competitions the College has had a rich haul of over 78 medal winning feats at International National and State, while in other Invitational Tournaments, the College has nearly 50 more medals and Trophies.

This booklet is a testimony of the young boys and girls who dared to don the Stephen's Jersey and accept the challenges traversing through sporting adventures and misadventures in the year 2018-19.

The year 2018-19 once again began with a jolt as team's aspirations were severely dented by the non-availability of Aditya Veer Roy and Sashwat Dev as the mercurial duo could not play for college in the academic year 2018-19. Further, a knee injury sustained in the SRCC Invitational had Captain Satvik Sahni out for almost the entire season as he had to undergo a Surgery on his left knee.

The finals witnessed Hindu College play to plan and outclass the home team 2-1 to win the St Stephen's College Invitational Football Championship for the first time. Hindu College rallied back after trailing 0-1 to snatch victory from the jaws of defeat against St Stephen's College.

Mark Hamilton gave the home crowd a reason to cheer as he drew first blood and put St Stephen's College in the lead in the 10th minute. The young gun could have doubled his tally but his blistering shot beat the Hindu goalkeeper only to be denied by the cross bar. Satvik and Reyhaan could have added to the home team's tally but were unable to slot the ball home. The last 10 minutes saw the Bhakkar, Top scorer of the Tournament, show his mettle as he latched onto a well measured cross from Wayne to draw his team level at 1-1. The goal seemed to give the Hindu Team added steam against a tired home team which had

lost central defender Samarth Narula due to injury. STEPHANIAN ANKUR DHAMA RECEIVES ARJUNA AWARD

It is firmly believed that any man's finest hour, the greatest fulfilment of all that he holds dear, is that moment when he has worked his heart out in a good cause and lies exhausted on the field of battle - victorious.

Ankur Dhama Masters History (H) is a Para-Athlete with complete blindness forcing him into absolute darkness, but when he puts on his running shoes he is one who has shown light to the entire nation. This year he added laurels to the long list of accolades he has won for College.

Para-athlete Ankur Dhama received the prestigious Arjuna Award 2018 for his achievements from President Ramnath Kovind during the National Sports and Adventure Award 2018 function, at Rashtrapati Bhawan, on September 25, 2018, in New Delhi, India.

Ankur Dhama became the first blind athlete to represent India in a track event at the Rio Olympics 2016. Bronze Medals in 5000 m and 1500 m at the Asian Para Games 2014, a Silver Medal (800 m) at Asian Para Games 2014 are some of his tremendous achievements.

Congratulations Ankur !!
