Coordinator's Comments

We have gained significant insights from the programme we have successfully conducted in the past. The necessity of transitioning from offline to online mode in the time of pandemic was implemented and accepted with ease and our second programme on Public Policy and Administration drew candidates from across the globe. It was inaugurated by the Honourable Minister of Health, Social Justice and Woman and Child Development, Government of Kerala - Ms K. K. Shailaja Teacher. The idea behind this course was to invite and involve young minds from around the world, which would facilitate better exchange of ideas, thoughts, innovation and national integration of information and intellect. This Course witnessed senior Civil Servants from the Indian Administrative Service, Indian Police Service and from the Audits and Accounts Service who shared their immense wealth of knowledge and expertise on policy, management, leadership and Policing. For the first time, SCAL provided mentoring support to the applicants of the course .

Minutes of the Staff Council meeting held on 28.05.2021

An ordinary meeting of the St. Stephen's College Staff Council was held on 28th May 2021 at 3 PM in the Staff Room of the College. The meeting was chaired by the Principal Prof. John Varghese. Sixty-four staff members attended the meeting. Dr. Aditya Pratap Deo of the History Department had requested that he be excused from the meeting. The agenda for the meeting was as follows:

1. Welcome
2. Two minutes' silence for those departed
3. Confirmation of the Minutes of the Staff Council meeting of 13.07.2020
4. Matters arising from the Minutes
5. Review and suggestions for the online conduct of classes
6. Exams, Evaluation and Admissions
7. Review and suggestions for the College community during Covid
8. Any other matter permitted by the Chair.
9. Thanks & Conclusion

Principal Dr. John Varghese welcomed the faculty. He requested a two-minutes' silence for those departed among the college and University community and their family members.

The Minutes of the Staff Council Meeting held on 13.07. 2020 had been circulated previously, was confirmed and was proposed to be passed. Proposed by Dr. Pankaj Kumar Mishra and seconded by Dr. Shamim Ahmed.

In **Matters arising from the Minutes**, Dr. Pankaj Kumar Mishra pointed out that the Minutes should only record the final decisions instead of being wordy and elaborate. Dr. N. P. Ashley the Staff Secretary suggested that the Principal's office be asked to update the list of those faculty who go on leave, retire and join (both permanent and ad hoc) to ensure that no one is left out of the communication process.

Review and suggestions for the online conduct of classes

The Staff Council reviewed the online conduct of classes and deliberated on how to make online classes more inclusive and effective. The issues of screen fatigue and academic rigour were discussed. It was suggested that there should be better co-ordination of departments through Heads for better organization of classes. It was suggested that for checking plagiarism, college could invest in a plagiarism-checking software. New suggestions on improving online classes and practicals were to be presented through the IQAC. It was suggested that official College e-mail IDs to all students could be provided so that safe and effective online platforms could then be used with reduced or no financial cost.

ST. STEPHEN'S COLLEGE
DELHI-110007

Exams, Evaluation and Admissions

The Principal placed on record his thanks to Dr Radha Mohan and colleagues including Mr Moon Waqar and the technical team – all who handled the Exams. Many teachers pointed out that Open Book Examinations were causing serious problems: question papers are still information-based allowing wide plagiarism and proxy writing, technical issues and portal related issues. The Principal urged teachers to submit their answer scripts on time so that embarrassing communications from the University pointing out delays in submitting the evaluated scripts by colleagues could be avoided. Teachers complained that a disproportionate number of scripts were allocated to teachers and they had to evaluate scripts in the middle of teaching. It was noted that teachers had been teaching round the year due to the pandemic. In order to address the issues, it was decided that the college inform the University about a decentralised scheme where evaluation relies more on teachers. It was decided to draft a letter to the University pointing out the issues and suggestions.

Review and suggestions for the College community during Covid

The Principal informed the meeting that the college was taking all measures to ensure Covid-safety on campus and that vaccination will be made available on campus.

The Principal informed colleagues that Dr. Gitanjali Sethi (Physics) and Dr. Sanil Unnikrishnan (Physics) had been appointed Tutors for Admissions for the upcoming admissions.

Any other matter permitted by the Chair.

Ms. Nandita Narain, Drs. Naina Dayal and Sanjay Kumar opined that the College's plan to organize a four-session-long-seminar on Holocaust in collaboration with the Embassy of Israel and the Yad Vashem Centre, given the war crimes committed by the Israeli state on the people of Palestine, should be reviewed and retracted.

The Principal reminded colleagues that the College is apolitical and it doesn't agree or disagree with policies taken by any government, including Israel; however, the Holocaust was a human calamity and an event that offered a huge lesson to humanity at large and on that count the event shouldn't be cancelled. The Principal said the seminar on the Holocaust needs to be considered for what it was- an academic exercise and nothing else should be read into it. The seminar will therefore continue.

The Principal informed the faculty that certain instances of a political party using the College crest had been brought to his notice. The Principal reminded all members that the College was not in favour of any political ideology and that students must not be encouraged or included in any kind of political activity. Furthermore, the College does not recognise any party affiliation with regard to its student body. He informed all concerned that stern action, including legal action, will be taken against those using the registered trademarks of College without due permission.
