2.COURSES

The College admits students to both undergraduate and postgraduate courses. However, all teaching for post graduate courses is provided in the respective departments at the University of Delhi. Postgraduate students continue to be part of the larger College family and have access to the College Library among other facilities.

2.1 UNDERGRADUATE LEVEL COURSES: CHOICE BASED CREDIT SYSTEM (CBCS)

Choice Based Credit System is an internationally acknowledged system of education, implemented by the University Grants Commission (UGC) for higher education institutions in India. This system facilitates a cafeteria system of course selection for students, thereby enabling them to actively participate in the process of garnering knowledge. Under the CBCS, students will have, apart from Core papers, Elective courses wherein they get an opportunity to choose from a variety of allied or applied courses which are broadly categorized as Generic Elective Courses, Ability Enhancement Courses and Skill Enhancement Courses. Further, credits accumulated by students through these courses are intended for transfer across various institutions, ensuring the opportunity for mobility to other academic institutions during the course of his/her study. This student-centric system thus allows junior members to be part of an educational system which is on par with an education of international standards. St. Stephen's College follows the University of Delhi's Choice Based Credit System (CBCS) at the undergraduate level. The system has two components: Core Course and Elective Courses.

As a constituent college of the University of Delhi, St. Stephen's abides by all the regulations of the University, other than those that affect its minority status and rights under Article 30 (1) of the Constitution of India. The University follows the semester system in all its undergraduate programmes. There are two semesters in an academic year and the University examinations are held *twice* a year, at the end of each semester. The College offers courses only in humanities and sciences. It has two kinds of courses—B.A./B.Sc. Honours courses and B.A./B.Sc. *Programme* courses. While 'Honours' Courses are more specialized and essentially focused on a single discipline, the 'Programme' Courses offer broader instruction in three or four disciplines.

In all the **B.A./B.Sc. Honours** courses, the students will be required to read **14 Core Courses**, in addition to the **2 Ability Enhancement Compulsory Course**, **2 Skill Enhancement Courses**, **4 Discipline Specific Elective Courses**, and **4 Generic Elective Courses**.

For **B.A. Programme Courses**, the students will be required to do **12 Core Courses**, in addition to **2 Ability Enhancement Compulsory Courses**, **4 Skill Enhancement Courses**, **4 Discipline Specific Elective Courses**, and **2 Generic Elective Courses**.

For **B.Sc. Programme**, there are **12 Core Courses**, in addition to **2 Ability Enhancement Compulsory Courses**, **4 Skill Enhancement Courses** and **6 Discipline Enhancement Elective Courses** which include two courses from each discipline of choice including a course of interdisciplinary nature.

Every student is required to work towards a degree with a specific choice of courses. The duration of a Bachelor's degree is three years. The following degree programmes are offered by the College in accordance with the regulations of the University of Delhi:

B.A. (Honours) in Economics, English, History, Philosophy and Sanskrit.

B.A. (Programme) with a range of subject combinations from the Humanities.

B.Sc. (Honours) in Chemistry, Mathematics and Physics.

B.Sc. (Programme) with a range of subject combinations from the Sciences.

The medium of instruction in the College is English. The following sections of the Prospectus (3 and 4) give details about the various subject- specific Honours and programme courses

 PRINCIPAL
 ST. STEPHEN'S COLLEGE
 DELHI-110007

2.2 POSTGRADUATE LEVEL

St. Stephen's College admits students to the following postgraduate (M.A.) courses – Economics, English, History, Mathematics, Operational Research, Philosophy and Sanskrit. Admission to an M.A./M.Sc. course is subject to the applicant's securing admission in the concerned department of the University of Delhi, and clearing an interview conducted by St. Stephen's College. For admission to a Master's programme, an applicant must apply separately at St. Stephen's College postgraduate portal after completing all due process at the University of Delhi's portal. Dates and information will be available on the College website shortly.

ADMISSION TO POSTGRADUATE COURSES 2019-20

Updated on: 13-07-2019

NEW Attention: PG Applicants please note that dates for the PG interviews at St. Stephen's College will be notified after the Delhi University entrance results are announced.

PG application form has been modified for entrance applicants to update their roll no. as mentioned on DU NTA admit card. Applicants who have already paid the fees can now login and update their roll no.

Updation of roll no. in application form is mandatory for all applicants applying under entrance category.

Schedule:

- Last date to complete the registration process is: **15th July, 2019**
- Interviews: **Schedule Announced.**
- Criteria for shortlisting and call letters for interviews: **To be announced.**

St. Stephen's College online application forms for academic year 2019-20 are now available for the following courses:

1. M.A. Economics
2. M.A. English
3. M.A. History
4. M.A. Philosophy
5. M.A. Sanskrit
6. M.Sc. Mathematics
7. M.Sc. Operational Research
8. M.Sc. Chemistry
9. M.Sc. Physics

All teaching work will be conducted by respective departments in the University of Delhi. Aspiring students are requested to complete their registration process at Delhi University's portal before the deadline **22nd June, 2019 (revised)**, link –

DELHI UNIVERSITY PG ADMISSIONS PORTAL 2019-20.

Admission Flow –

1. **Step-1:** Complete the Postgraduate registration process at Delhi University's portal (**Link – <https://pgadmission.du.ac.in/index.php/site/login>**) on or before the deadline (**22 June 2019**). Only registered students will be allowed to fill the St. Stephen's College Postgraduate Admissions application form.
2. **Step-2:** Register on St. Stephen's College Postgraduate admission portal with the same email id and registration number which you have received from Delhi University's portal. System will send a link to verify your email address.

PRINCIPAL
ST. STEPHEN'S COLLEGE
DELHI-110007

3. **Step-3:** Login with your registered email, password and captcha. There are 6 sections to be filled. Section-4 is an Educational Section, please note that you won't be able to proceed beyond it if your educational details are not completed or declared.

Once your final Bachelor's results are declared, you can fill those details, pay the registration fee and complete the process.

4. **Step-4:** Once all sections are completed and payment is done. You will receive a confirmation email for registering successfully on the College portal.

5. **Step-5:** Take the entrance exam at Delhi University if applied under entrance category. Wait for the results. University will release the separate admissions lists for entrance and merit category. University may also release several admission lists if there will be vacancies.

6. **Step-6:** College will announce the criteria to call the registered students for interviews on the college website. And the list of selected students will be put up on the College website. Only those selected students who have secured their names in the University's admission lists will be eligible for admissions at the College.

7. **Step-7:** Such students need to get their documents and University form verified at the verification desk which be available at Arts and Science Faculty respectively. Payment link will be activated for students once they show the verified form obtained from the University. After making the payment, they have to submit the following documents in the admin office of the College –

- a). Photocopy of verified and stamped University form
- b). Payment receipt obtained from the College portal
- c). Photocopy of graduation marksheet/transcript (Self attested)
- d). Photocopy of Class X and XII marksheet (Self-attested)

8. **Step-8:** Students then take the payment receipt obtained from the College portal to their respective department and confirm their admission at the University department.

9. **Step-9:** Students will get a link to register on College Academic Management Portal. Registration on this portal will enable them to access all other facilities of the College.

Please note:

Students must check the Delhi University and College website for regular updates.

Last date for completing St. Stephen's College PG application form in all aspect is – 15th July, 2019.

For any technical issues or grievances applicants can email at it@ststephens.edu or use the **SUPPORT FORM** available inside the admission portal at the left sidebar once they are logged-in.

2. COURSES

UNDERGRADUATE LEVEL COURSES: CHOICE BASED CREDIT SYSTEM (CBCS) – Learning Outcome-based Curriculum Framework (CBCS-LOCF)

St. Stephen's College follows the University of Delhi's Choice Based Credit System-Learning Outcome-based Curriculum Framework (CBCS-LOCF) at the undergraduate level. The CBCS-LOCF is an internationally acknowledged system of education, implemented by the University Grants Commission (UGC) for higher education institutions in India. This system facilitates a cafeteria system of course selection for students, thereby enabling them to actively participate in the process of garnering knowledge. The LOCF approach is envisioned to provide a focused, outcome-based syllabus at the undergraduate level with an agenda to structure the teaching-learning experiences in a more student-centric manner. It enriches the students' experiences as they engage themselves in the programme of their choice. The Under-Graduate Programmes will prepare the students for both academia and employability.

The College offers courses only in humanities and sciences. It has two kinds of courses—B.A./B.Sc. Honours programmes and B.A./B.Sc. Programmes. While 'Honours' programmes are more specialized and essentially focused on a single discipline, the 'Programme' Courses offer a broader instruction in three or four disciplines.

In all the B.A./B.Sc. Honours programmes, the students will be required to read 14 Core Courses, in addition to the 2 Ability Enhancement Compulsory Course, 2 Skill Enhancement Courses, 4 Discipline Specific Elective Courses, and 4 Generic Elective Courses.

For B.A. Programme Courses, the students will be required to do 12 Core Courses, in addition to 2 Ability Enhancement Compulsory Courses, 4 Skill Enhancement Courses, 4 Discipline Specific Elective Courses, and 2 Generic Elective Courses.

PRINCIPAL
ST. STEPHEN'S COLLEGE
DELHI-110007

For B. Sc. Programme, there are 12 Core Courses, in addition to 2 Ability Enhancement Compulsory Courses, 4 Skill Enhancement Courses and 6 Discipline Enhancement Elective Courses which include two courses from each discipline of choice including a course of interdisciplinary nature.

This student-centric system thus allows junior members to be part of an educational system which is on par with an education of international standards. Every student is required to work towards a Degree with a specific choice of courses. The duration of a Bachelor's degree is three years. The following degree programmes are taught at St. Stephen's College in accordance with the regulations of the University of Delhi:

- B.A. (Honours) in Economics, English, History, Philosophy and Sanskrit.
- B.A. (Programme). The college offers the students a choice of any two disciplines: Economics, English, History, Philosophy and Political Science.
- B.Sc. (Honours) in Chemistry, Mathematics and Physics.
- B.Sc. (Programme). The college offers the students two programme courses, one with Chemistry and the other with Computer Science. Students opt for either of these in combination with Mathematics/Physics.

The medium of instruction in the College is English. Sections 3 and 4 of the Prospectus provide details about the various subject-specific Honours and Programme courses.

POSTGRADUATE LEVEL

St. Stephen's College admits students to the following postgraduate (M.A. and M.Sc) courses in Chemistry, Economics, English, History, Mathematics, Operational Research, Philosophy, Physics and Sanskrit. Admission to these courses is subject to the applicant's securing admission in the concerned Department of the University of Delhi, and clearing an interview conducted by St. Stephen's College.

For admission to a Master's programme, an applicant must apply separately at St. Stephen's College postgraduate portal after completing all due process at the University of Delhi's portal. Dates and information about the interviews will be available on the College website shortly.

physical sciences up to a level from which they can pursue specialized Master's course of their choice. Many of the emerging technologies and sciences like the study of nano-materials, cognitive sciences and biophysics are multidisciplinary in nature, for which the exposure gained by B.Sc. Physical Sciences students is ideal.

Successful students of B.Sc. Physical Sciences are eligible for admission to Master's degree programmes in Physics, Mathematics, Chemistry and Computer Science. Many of the brightest students take this route to careers in research and academics. Up to one half of the Computer stream students go on to do a Master's in Computer Applications. Students of B.Sc. Physical Sciences enjoy a high reputation for employability, with up to one third of the graduating students getting direct placements in the recent past.

3.2 POSTGRADUATE LEVEL

St. Stephen's College admits students to the following post graduate (M.A.) courses – Economics, English, History, Mathematics, Operational Research, Philosophy and Sanskrit, though all teaching work happens in the relevant Faculties of the University of Delhi.

COURSES

2. COURSES

The College admits students to both undergraduate and postgraduate courses. However, all teaching for post graduate courses is provided in the respective departments of the University of Delhi. Postgraduate students continue to be part of the larger College family and have access to the College Library among other facilities.

2.1 UNDERGRADUATE LEVEL COURSES: CHOICE BASED CREDIT SYSTEM (CBCS)

Choice Based Credit System (CBCS) is an internationally acknowledged system of education, implemented by the UGC for higher education institutions in India. This system facilitates a cafeteria system of course selection for students, thereby enabling them to actively participate in the process of garnering knowledge. Under the CBCS, students will have, apart from Core papers, Elective courses wherein they get an opportunity to choose from a variety of allied or applied courses which are broadly categorized as Generic Elective Courses, Ability Enhancement Courses and Skill Enhancement Courses. Further, credits accumulated by students through these courses are transferable across various institutions, ensuring the opportunity for mobility to other academic institutions during the course of his/her study. This student-centric system thus allows junior members to be part of an educational system which is on par with an education of international standards.

As a constituent college of the University of Delhi, St. Stephen's abides by all the regulations of the University, other than those that affect its minority status and rights under Article 30 (1) of the Constitution of India. The University follows the semester system in all its undergraduate programmes. There are two semesters in an academic year and the University examinations are held *twice* a year, at the end of each semester. The College offers courses only in humanities and sciences. It has two kinds of courses—B.A./B.Sc. *Honours* courses and B.A./B.Sc. *Programme* courses. While 'Honours' Courses are more specialized and essentially focused on a single discipline, the 'Programme' Courses offer broader instruction in three or four disciplines. The College follows the University's Choice Based Credit System (CBCS) at the undergraduate level. The system has two components: Core Course and Elective Courses.

In all the **B.A. / BSc. Honours** courses, the students will be required to read **14 Core Courses**, apart from the **2 Ability Enhancement Compulsory Course, 2 Skill Enhancement Courses, 4 Discipline Specific Elective Courses, and 4 Generic Elective Courses.**

For **B.A. Programme Courses**, the students will be required to do **12 Core Courses**, besides **2 Ability Enhancement Compulsory Courses, 4 Skill Enhancement Courses, 4 Discipline Specific Elective Courses, and 2 Generic Elective Courses.**

For **B. Sc. Programme**, there are **12 Core Courses**, apart from the **2 Ability Enhancement Compulsory Courses, 4 Skill Enhancement Courses** and **6 Discipline Enhancement Elective Courses** which include two courses from each discipline of choice including a course of interdisciplinary nature.

Every student is required to work towards a degree with a specific choice of courses. The duration of a Bachelor's degree is three years. The following degree programmes are offered by the College in accordance with the regulations of the University of Delhi:

B. A. (Honours) in Economics, English, History, Philosophy and Sanskrit.

B. A. (Programme) with a range of subject combinations from the Humanities.

B.Sc. (Honours) in Chemistry, Mathematics and Physics.

B.Sc. (Programme) with a range of subject combinations from the Sciences.

The medium of instruction in the College is English. The following sections of the Prospectus (3 and 4) give details about the various subject-specific Honours and Programme courses.

2.2 POSTGRADUATE LEVEL

St. Stephen's College admits students to the following post graduate (M.A.) courses - Economics, English, History, Mathematics, Operational Research, Philosophy and Sanskrit. Admission to an M.A./M.Sc. course is subject to the applicant's securing admission in the concerned University of Delhi department, and an interview conducted by St. Stephen's College. Dates for these interviews will be notified later. For admission to a Master's programme, an applicant must have a recognized Bachelor's degree.
