Azadi ka Amrit Mahotsav

Virsa, the Punjabi Literary Society of St. Stephen's College organized a talk with retd. JNU professor Chaman Lal; honorary advisor, Bhagat Singh archives, and author, Understanding Bhagat Singh on 29th October, 2021 at 5 pm.

The discussion was centered around the life and works of the young revolutionary, debunking misconceptions created by media that portrayed him as an aggressor instead of the intellectual he was. The speaker talked in great detail about Bhagat Singh's childhood and family, and how his political ideologies were a direct result of how he'd been raised (and more importantly by whom). The talk was attended by history enthusiasts from various colleges across DU and Punjab University, Chandigarh. The event was especially relevant at the time because of the farmer's protests that had been going on for nearly two years, where Bhagat Singh had served as a constant motivation.
