

IMPORTANT NOTIFICATION FOR CST, CNID & CNI APPLICANTS

Corrigendum to Cut Off

The cut off for CST category across all disciplines has been revised as indicated below to ensure better representation. In view of this, the result for the CST category for Chemistry has been withheld until the interview for all those eligible, belonging to this category and who had not been called for the interview are conducted. The date will be announced shortly. Those from the CST who attended the Chemistry interview need not appear again.

Those who have been called for the interviews as per the previous cut off may be present as per the schedule indicated therein.

Owing to the limited number of candidates from the CNI, CNID and CST categories, the rider for Economics has been further reduced from 90 to 80 for these categories. Accordingly, the list of those eligible has been revised.

Candidates are encouraged to re-check their eligibility on Wednesday 3 July, 2019 by logging in with their password and generating their Interview Call Letter, if they are eligible.
