Parliament Visit

The Leadership Cell, St. Stephen's College had its annual visit to the Parliament of India on 7th August 2018. It was a bunch of curious minds, who set out on a journey to visit the Lok Sabha and each one of us was astounded by the aura surrounding it. This event mainly focused on deepening the student's understanding of the government process while attempting to bridge the prevalent disconnect they have with the system by actually helping them view it live. It was attended by 46 students and was certainly a great experience.
