

SOCIETY ACTIVITY REPORT 2018-19

THE QUIZ CLUB

- The year began with the **Intra-Freshers Quiz** in August where the Freshers got an experience of quizzing on new territory.
- The month of September was also host to an Intra College quiz '**All things Trivial**'. Another quiz, this time, in collaboration with the English Literary Society was held for all Game of Thrones enthusiasts in September. The Quiz was called '**Valar Quizzoris**' and it included a vast array of questions from the book as well as the television series.
- In the month of October, we hosted the fourth edition of the '**St Stephen's Annual Quizzing Championship**', which was a **National level** competition held over two days.
- We began the new year with a **national level** quiz competition '**Quizotic**' in February. The quiz received an overwhelming response and people turned up in large numbers to indulge in this quizzing extravaganza. 'Quizotic' was held over three days.
- **The Inter Department Quiz** was held in February too and saw the departments compete to prove their intellectual superiority.
- The Quiz Club, in collaboration with the Mathematics Society hosted '**Mathopolis**', a Mathematics Quiz.
- '**Prakriti '18**' was another Quiz, in collaboration with the Environment Society.
- The Quiz Club also hosted the Art themed quiz as a part of the Fine Arts Society's Annual fest, **Artipelago**.
- The quiz club also successfully hosted a quiz during '**Drishtikon**' for the differently abled.
- Other collaborations included '**Resonance**', the chemistry quiz, with the Chem Soc and also a **History themed quiz** during 'Kalchakra', the annual History Society fest.
- On Valentine's Day, this year, the Quiz Club came up with a new quizzing format in which members caught 'lonely hearts' and quizzed them, in return for some treats. This quiz was rightly called the '**Lonely Hearts quiz**'.
- Apart from all these activities, the Quiz Club also held various question making workshops and conducted sequels of quizzes for the club members.
- All in all, it was a great year buzzing with a lot of questions.
