

## SOCIETY ACTIVITY REPORT 2018 -19

### ENACTUS SOCIETY

- 1<sup>st</sup> general body meeting on 30<sup>th</sup> August 2018, discussing ideas and projects with the newest members of our Team members to build a better tomorrow.

## RADIO SHOW - 1

- Conducted first radio show of the academic year with FEBA India . Spreading Awareness for a better world!

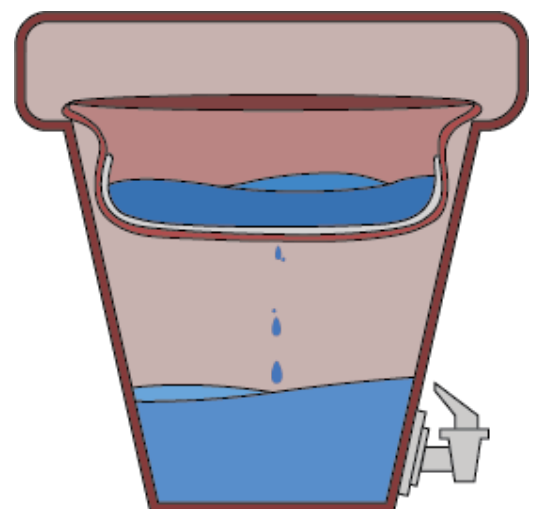

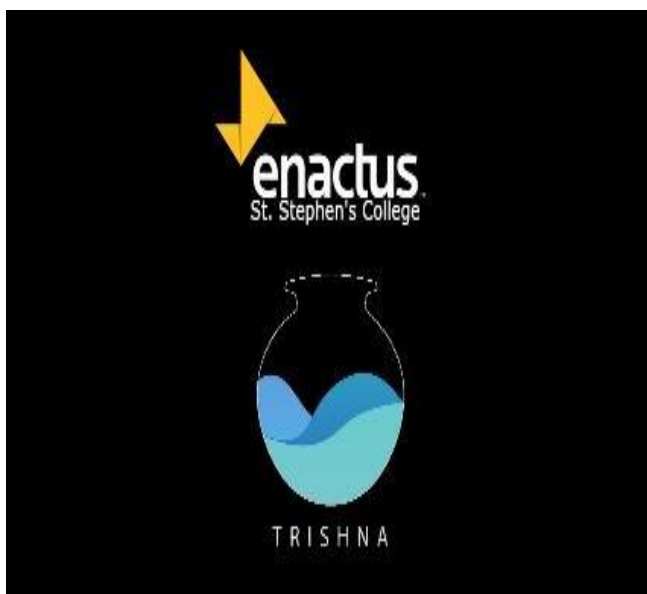

- **Project Trishna**

Project Trishna was introduced in the month of August 2018 in order to solve the problem of potable water scarcity by making bacterially contaminated water safe for the poorest of the poor by developing a low-cost Ceramic Water Purifier that can be fabricated at the community level.

### PROJECT DESCRIPTION/ OVERVIEW OF ACTIVITIES

- 1) Construction of a low-cost Ceramic Water Purifier using the disinfecting properties of silver as an efficient filtration measure.
- 2) Assisting the target audience located within the target area to reproduce the design.
- 3) Spreading awareness and need for availability of clean drinking water and measures to be undertaken for the same.
- 4) Educate the target audience about their rights in order to coerce authorities in providing the concerned amenities relating to provision of access to water service.
- 5) Spreading the awareness and need for conservation of water and fundamental measures to be taken to do so.
- 6) Generation of Income for underprivileged sections by involving them in the process of making the water purifier in supply of the raw materials for the same.

### ● Project Aisha

Project Aisha was initiated by Enactus, over the semesters with the aim to provide medical aid to areas that would generally - not under normal circumstances – have access to it by working on a scalable model of data collection driven project.

### ● RADIO SHOW 2

2nd radio show for the academic year was conducted on 22<sup>nd</sup> September 2018. The topic was about Alcohol Abuse. Managed to Make the people understand the after effects of Excessive alcohol Consumption. Spreading awareness for a better tomorrow!
