### **Achievements:**

Our society members also participated in a plethora of inter and intra college events including but not limited to essay-writing, debating, poem recitation. One of our junior members was awarded in the “remarkable stories” category in the prestigious “Neelima Tikku National Story Competition” and was the youngest recipient amongst all the awardees.

We hope to continue providing a space for those captivated by Hindi Literature, as well as to add to the illustrious contributions of the College via proactive endeavours.
