

## **SOCIETY ACTIVITY REPORT 2020-21**

### **THE MALAYALAM LITERARY SOCIETY**

#### **Onam**

Onam is the society's flagship event and the biggest cultural festival in the college in terms of the number of participation. A college fest in its own right, Onam is when Stephanians come together and transcend all cultural, regional and linguistic boundaries to become a Malayali for two days.

Onam marked the beginning of all literary and cultural events. Given the global pandemic situations, all celebrations were held completely online and we saw a major turnout of participants due to the secular and inclusive temper of the festival.

Prior to Onam the society organized a talk by Sabari Venu on the topic 'Art and Onam'. We used our Instagram handle to share the various narratives of Onam and educate about Maveli and Onapottan, the characters of Onam.

#### **Samaantharagal**

A major event held this year was the launch of the official literary blog, Samaantharagal with the motive of maintaining a close connection with literature and art of the state. The blog was started on the 1st of November, from then MLS has published an article every weekend without fail and the has a viewership of 100+ audience.
