

ANNUAL REPORT 2021-22

THE BA PROGRAMME SOCIETY

St.Stephen's College.

The B A Programme Society is an interdisciplinary society that focuses on a wide range of themes ranging from History, Politics, Literature, Philosophy among other disciplines. Our society aims to promote Interdisciplinary Education in University spaces. This allows people from different backgrounds to learn about and explore something they are interested in. We intend to create a space that values the varied perspectives and diverse ideas of its members to facilitate the process of learning and unlearning from each other and growing together.

The society activities for the year 2021-22 were organised in a hybrid mode. The offline and online activities organised by the society included group discussions, reading sessions, online competitions , blog entries , meet and greet sessions and many more.
