

ANNUAL REPORT 2021-22
INFORMAL DISCUSSION GROUP
St. Stephen's College, Delhi

Informal Discussion Group is one of the oldest societies of the college. IDG continues to remain committed to its goal of creating a safe and inclusive space for all the junior members where they can express themselves without needing to adhere to any formal means of interacting. This year too our society tried to promote the same. Through events like group discussions, talks and other cultural events, we tried to build discourse on various issues of importance. We also collaborated with IQAC to conduct a series of talks on the challenges of teaching and learning in the online mode.
