

St. Stephen's College
Delhi – 110007
India

25th July 2026

“The College warmly welcomes its 146th batch of Junior Members as another chapter in its distinguished history begins. Every generation arrives with the power to renew the life of this institution while preserving the values that define it. Our commitment is to ensure that St. Stephen's continues to be a place where excellence is pursued with integrity, where ideas are debated with respect, where diversity is celebrated, and where every student is encouraged to discover not only what they can achieve, but who they can become. May your years at St. Stephen's be intellectually enriching, personally transformative and deeply rewarding. Welcome to the Stephanian family.”
