

Annual Gender Sensitization Plan, 2020-21

1. Disseminate information about gender issues to first-year students through the Morning Assembly
2. Inform students in classrooms through lectures and tutorials - the primary spaces for teacher-student interface.
3. Spread awareness on gender issues through Class Representatives.
4. Encourage activities and events related to gender issues through extra and co-curricular activities conducted by Societies and Clubs.
5. Strengthen the role of platforms like the Internal Complaints Committee.
6. Encourage initiatives like the Centre for Gender, Culture and Social Processes; and Gender Study Cell
7. Create awareness on gender issues among Faculty and Staff
8. Encourage awareness of gender-related issues through a Newsletter.
9. Encourage students and staff to participate in gender issues related activities in college and share concerns about gender issues.
